Pledge Card for "Hope for Tomorrow" Capital Campaign

Historic Hope Foundation, Inc. continues its \$1,000,000 capital campaign, "Hope for Tomorrow", primarily to raise funds for maintenance of the David Stone Mansion and the King Bazemore House. We must repair and repaint the exteriors of both structures among continuing our interior maintenance needs on these houses built in the 18th and 19th centuries.

Historic Hope is not a regular recipient of state funds to support these critical financial needs as we are a private, not for profit, organization. We depend on the support and generosity of you and others who participate in maintaining and improving this significant Bertie County historic site. The primary purpose of Historic Hope is to provide educational, cultural, and recreational benefits to the public as an element of the heritage of Bertie County and the Roanoke-Chowan region and as an illustration and interpretation of agrarian life in eastern North Carolina. Since November 2020, COVID-19 has restricted our ability to promote our heritage through special programs such as Living History Day 9 (a program for all county 4th grade students), our annual African American History Day Celebration (a Genealogical Conference for exchanging information on former residents of Colonial Bertie County), the Ives Lectures (which focus on elements of the decorative arts), and our Museum of "Crossroads at the Plantation" (which focus on our tri-cultural heritage, with a special emphasis on the indigenous Native American Tribes and the origins of the Free People of Color). We look forward to the end of the COVID-19 restrictions and the return of our popular heritage tourism attractions.

The Board of Directors urges you to help us reach this campaign goal of \$1,000,000 by filling out and returning the attached pledge form to Historic Hope Foundation, Inc., 132 Hope House Road, Windsor, NC 27983.
